Dear Friends,

Each day, people you know rely on Hospice of Wake County to provide comprehensive support for their end of life journey. Hospice of Wake County has been easing that burden for over 30 years. Through teams of nurses, social workers, chaplains, nurse assistants and family support volunteers, the goal is to provide excellent end of life care to the community, regardless of their ability to pay.

Despite the decline in our economy, the demand for hospice services continues to grow. In 2009, the number of patients in the care of Hospice of Wake County each day increased by 21% over the preceding year. One way you can help is to become a sponsor of the 4<sup>th</sup> Annual Cabin Fever Throwdown for Hospice! This event has raised almost \$100,000.00 over the past three years.

Thanks to the David Hicks Family and the Raleigh Shag Club this event will be held on Sunday, February 28, 2010, at the North Raleigh Hilton. Three live bands will be featured, including the Band of Oz, Jim Quick and Coastline, and the Fantastic Shakers. Doors open at 1:00 pm. Enjoy a great lunch, cash bar, many door prizes, raffle items and a great silent auction. Smoke-free environment with great dancing, great DJ's and many other surprises!!!

Please consider supporting the 4<sup>th</sup> Annual Cabin Fever Throwdown to ensure that no one goes without the care and support they need. Attached is information on how you can be a part of a wonderful event with all proceeds going directly to Hospice of Wake County.

Thanking you in advance for your support,
